

Drugs Policy (an extract)

Solihull College recognises controlled substance abuse is illegal and interferes with learning, work and the development of a safe environment. The college has a legal and ethical obligation to prevent controlled substance abuse and to maintain an alcohol/drug free work and educational environment. We will, therefore, deal seriously with any allegations of alcohol/drug misuse on campus or with anyone coming onto the campus under the influence of alcohol or drugs.

If you are experiencing problems with a drugs related issue, you can get help or discuss your concerns with the following services:

The College Counselling Service Tel 0121 678 7000
